

# Kane County Cougars Concession Allergen Information

We understand the challenges people face who struggle with food allergies and sensitivities. It is important that you are aware that milk, egg, peanut, tree nut, fish, shellfish, soy, wheat and sesame allergens may be present in the items we serve here at the ballpark. Due to the fact that we do not have separate equipment dedicated for the prevention of allergen-based food requests, the possibility of cross contact exists. Decisions what type of precautions you should take before enjoying our menu items are always best made by you in consultation with your healthcare provider.
